

The Pioneer in Solid Blind Technology

With a Sportsman's Condo, neither rain, nor snow, nor slicing arctic winds can keep you from maximizing your time in the field. This one-piece modern hunting fortress has no seams to leak, rattle, rust or rot. For the hunter who is serious about spending more time in the field and increasing his chances of spotting that trophy, the Sportsman's Condo is simply a "must have."

SC-1

The **SC-1** is our original condo that set the benchmark for "solid" blinds. Features include a built-in shelf for easy storage, one-piece construction for years of maintenance free enjoyment, and a lockable door.

The SC-1 has been newly redesigned for even more leg and elbow room.

This is the unit that made Sportsman's Condo "the Pioneer in Solid Blind Technology."

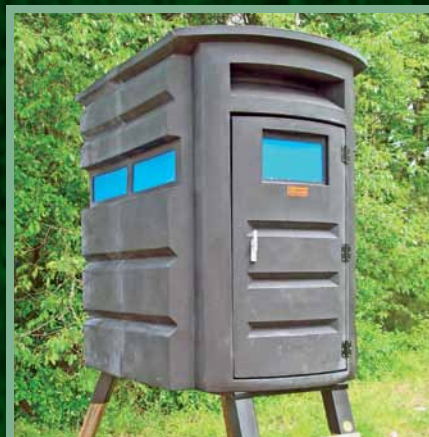

48"W x 48D" x 72"H, 210 lbs.

SC-2

The **SC-2** is our most popular model. This two-person unit encompasses all the features of the original SC-1 but allows you to share your hunting experience with friends and family. Moreover, it provides a safe and secure area from which to introduce your son or daughter to our storied hunting heritage.

78"H x 48"W x 72"L, 310 lbs.

SC-3

The **SC-3** now allows the whole family to share in the experience! This unit has room for three people and still provides all the attention to detail and security of our smaller models.

Round-78"H x 66" Diam., 345 lbs.

Specialty versions of the Sportsman's Condo may be just what you're looking for!

The Sportsman's Condo "Pro Hunter" Model

For as long as there have been hunters there has been a generation passing down the tradition and heritage to those that followed. It's out of the respect for these fathers, grandfathers, uncles, big brothers, and friends that Sportsman's Condo has come up with the new, limited "Pro Hunter" model.

This is by far the best and most option-filled condo we've ever offered. It's just our way of honoring the men who came before us and gave us our love of hunting!

78"H x 48"W x 72"L, 310 lbs.

The Sportsman's Condo: "The Ridgeline"

The **Ridgeline** uses our "solid blind technology" which has made Sportsman's Condo the industry leader, and it allows plenty of room for an adult and a small child.

Standard features include full-sized, lockable door and large windows for maximum visibility and gun movement.

48"W x 48D" x 62"H, 190 lbs.

The Sportsman's Bow Condo

Our Sportsman's **Bow Condo** features the same "solid blind technology" as our other best-selling Sportsman's Condos: no-rust, no-rot construction, fully assembled with floor, sides, and room all molded for a stronger, quieter blind.

The 6-foot diameter, 7-foot tall Bow Condo allows plenty of room to draw your bow, and the 29"x18" vertical windows with removable shoot-thru mesh screen were designed with archers in mind, but work equally well for gun hunters.

Round-82"H x 72" Diam., 385 lbs.
